

NSI's Classroom Climate Questionnaire (CCQ): Overview of the Features and Benefits

Features	Benefits
 <p>Comprehensive, reliable, and valid assessment of the classroom learning environment</p>	<ul style="list-style-type: none"> The CCQ enables comprehensive analysis of important learning environment climate factors: <ul style="list-style-type: none"> Relationships (quality of interpersonal relationships in the classroom). Assessment (quality of the assessment in terms of clarity and opportunities for learning) Delivery (quality of teaching and learning components). The CCQ also includes validated measures of: <ul style="list-style-type: none"> Student motivation (self-efficacy, task value, and learning goal orientation). Student engagement. Evidence to support the psychometric properties ensures teachers reflect on and collect reliable and valid data.
 <p>Assesses students across different year levels</p>	<ul style="list-style-type: none"> A validated version of the CCQ is available for students in all stages of schooling: early childhood, primary school, and secondary school.
 <p>CCQ Reports: Student Feedback</p>	<ul style="list-style-type: none"> A confidential CCQ Report is available to teachers immediately after closing the survey. The reports provide easy-to-read profiles representing students' views. For school-wide efforts, aggregated reports are provided to inform strategic planning.
 <p>Appreciating Context</p>	<ul style="list-style-type: none"> NSI acknowledges and appreciates the unique context of each school. As such, the CCQ can be contextualised under the guidance of our expert research team. This may include: <ul style="list-style-type: none"> Adding questions/statements to assess specific goals. Adding contextually responsive constructs. Making changes to language to ensure items are suitable. Adding background variables.
 <p>Evaluating improvement efforts</p>	<ul style="list-style-type: none"> The CCQ is administered as a pre-test and a post-test, allowing teachers to evaluate the impact of their improvement efforts.
 <p>Aligns with and supports efforts to address the AITSL Standards</p>	<ul style="list-style-type: none"> Use of the CCQ aligns with and can be used to evidence a range of AITSL Standards.
 <p>Supports promotion applications</p>	<ul style="list-style-type: none"> The use of the CCQ and processes for improvement provides evidence of a range of teaching standards and supports promotion applications.
